### **NOTICE OF CASE CLOSING**

This case arose under the Energy Reorganization Act of 1974, as amended, 42 U.S.C. §5851 (1988). On January 12, 2000, the Respondent filed a motion with the Administrative Review Board (Board) seeking an order compelling the repayment of attorney's fees. The Respondent cited *Varnadore v. Oak Ridge Nat'l Lab.*, No. 94-CAA-2 (Sept. 6, 1996), *aff'd*, 141 F.3d 625 (6th Cir. 1998), as precedent in support of its request that the Board issue such an order. The case was docketed as ARB 00-029. Subsequently, on January 28, 2000, the Respondent filed a notice withdrawing its earlier motion. As there are no further issues to be decided, this notice constitutes the final administrative action and this case is **CLOSED**.
